

VEE TECH COMPONENTS

ISO9001:2015 (QMS) Certified Company

Mfrs: Forged & CNC Machined Components,
Hydraulic Hose End Fittings, Assemblies, Auto &
Railway Parts

About Veetech Components

Incepted in the year 2024, we are a young company successfully catering to the needs of various industrial segments by ensuring impeccable quality, reliability and competitive prices.

We are an ISO9001:2015 (QMS) Certified Company. Being a Quality Conscious organization, we strictly adhere to stringent quality measures and produce our products strictly in compliance with the customer standards.

The company is led by young technocrats and is further supported by a team of professionals from different background united by a common idea. The team is able to implement the whole range of future tasks with the collective motive of striving forward. We offer experience, personal touch, ownership, problem solving and passion, with business. We would like to offer our services to the desirables with the purpose to work on three deliverables .i.e. PDQ which are Price, Delivery and Quality.

Get Started

Our Strength :

“Punctuality
is The
Quality of Kings

Dedicated Team

Dedicated
Team

- Flexibility & adaptability to customer needs.
- Quick product development.
- Financial soundness
- Wide product range with consistent quality.
- Cost competitiveness due to innovative & manual process.

Quality Policy :

Quality
Policy

At Vee Tech Components we shall be seen as an inspired team, committed for customer satisfaction by offering them quality products backed up with timely delivery and other services ensuring value for money to all its customers. Vee Tech shall always maintain and improve healthy working environment

Quality Objectives :

Quality
Objectives

- To ensure continuous improvement in all areas i.e. quality, delivery and service.
- To improve employees skills through continuous and need based training.
- To have latest & cost effective technology.
- To adhering to quality management & systems in order to produce defect free product.

Product

VTC manufactures high quality & precision turned components with latest CNC Turning machines.
